

Controls

Compatible with iOS and Android phones that follow the CTIA standard
*Compatibility is based on System version/Apps installed/Device (smartphone, tablet, computer, etc.)
Any of these above factors can cause the in-line remote control buttons to not function.
*See device instruction manual for details.

Replacing the Tips

Limited Warranty

1MORE products are warranted against defects in materials and craftsmanship for a period of one year from the date of the original retail purchase, when used in accordance with 1MORE's user manuals. Under this warranty, your claim can be directed to 1MORE, even if you purchased the product from an authorized third party. During the warranty period, 1MORE will, at its sole option, repair or replace the original, defective parts or issue a refund in the amount of the original purchase price. This warranty does not include damage resulting from accidents, or from improper use, maintenance, or repair, or from other causes that are not defects in materials or craftsmanship.
For full warranty details, please visit www.1more.com

Important Safety Information

- Long-term exposure to loud music may cause hearing damage. Avoid extreme volume when using headphones, especially for extended periods of time.
- Do not use headphones while operating a motor vehicle or a bicycle. Doing so is dangerous and may violate local laws and regulations.
- Do not use headphones if the inability to hear outside sounds may present a danger to you or others.
- In dry air conditions, static electricity can cause ear tingling; this is not a product malfunction.
- Do not drop, sit on, or allow the headphones to be immersed in water. Do not wear headphones in the rain.
- Do not wear the headphones if the in-ear cushions are not attached.
- Adult supervision is required for children age 6 and under.
- If you don't feel comfortable after wearing the earbuds, please refer to an aurist for advice on whether or not in-ear headphones are suitable for you.

Environmental Consciousness

1MORE Triple-Driver In-Ear Headphones meets the European RoHS2.0 (2011/65/EU) requirements.

Parts	Toxic Substances or Elements					
	Pb	Hg	Cd	Cr6+	PBB	PBDE
Headphone Body	○	○	○	○	○	○
Ear Tip	○	○	○	○	○	○
Accessories	○	○	○	○	○	○

"○" means that the amount of toxic substances or elements in a particular part is less than the requirements under the European RoHS2.0 (2011/65/EU) standard.

FAQ

- Some in-line remote control functions do not work with my device.
 - The headphones are compatible with iOS and Android systems, and only support audio jacks that follow the CTIA standard.
 - Please visit the product support section under www.1more.com for more information on compatibility.
 - Please note that some functions may be different, based on the original software loaded on your device. If this is the case, see your device's instruction manual for details.
- The in-ear headphone tips easily fall out of my ears.

The tips are probably the wrong size for your ear canals. We've provided additional tips in different sizes along with the headphones. Try different sizes until you find the best fitting tips. The goal is to achieve a snug-fitting seal.
- I hear abnormal noises, such as static.
 - For the best audio performance, use high fidelity lossless music files (> 20 MB per song). Lossless music formats include APE and FLAC.
 - Your device may not have proper shielding, which causes interference and creates abnormal sounds. Try using another device that has proper shielding.
- While using third party music/video player apps, some in-line remote control functions do not match those in the manual.

Your operating system and the third party music/video player apps may have different settings for the in-line remote control functions. We recommend that you use the music/video player apps that your device has originally provided.
